SOOTHING TONER

Universal/Anti-Aging

This formulation delivers a blend of hydration, nourishment, and protective care. The combination of hyaluronic acid derivatives, organic extracts, and humectants works to retain moisture, soothe irritation, and restore your skin's natural glow. With gentle exfoliation and antioxidant protection, this product helps to improve skin texture, reduce signs of aging, and promote a healthy, luminous complexion. Perfect for anyone seeking balanced, radiant skin!

Key Active Ingredients:

- **Organic Cucumber Extract (Cucumis Sativus):** Rich in antioxidants and vitamins, it refreshes and soothes the skin while reducing puffiness and irritation.
- **Sodium Hyaluronate (Hyaluronic Acid):** A powerful humectant that deeply hydrates by attracting and retaining moisture in the skin.
- **Betaine (Amino Acid) & Organic Beet Root Extract:** Help support the skin's natural moisture barrier, reducing dryness and maintaining hydration over time.
- **Acetyl Glucosamine:** A derivative of hyaluronic acid, this ingredient brightens the skin, promotes smooth texture, and supports collagen production.
- **Organic Apple Fruit Extract:** Provides natural alpha hydroxy acids (AHAs) for gentle exfoliation, revealing a smoother and brighter complexion.
