GLYCOLIC MOISTURIZER

Anti-Aging/Hydrating

Glycolic Moisturizer is a multi-action approach that works to reveal smoother, softer and brighter looking skin. This cream replenishes for a more radiant and youthful looking appearance to the skin.

Key Active Ingredients:

- **Glycolic Acid:** An alpha hydroxy acid (AHA) that exfoliates the skin, reduces fine lines, and brightens the complexion.
- **Glycerin:** A humectant that draws moisture from the air into the skin's outer layer.
- **Theobroma Cacao (Cocoa) Seed:** Cocoa is high in antioxidants which help fight off free-radical damage to the skin.
- **Myristoyl Nanopeptide-3 & Myristol Pentapeptide-17:** Peptides that can help stimulate collagen production, improving the appearance of skin.
- **Ascorbyl Linoleate:** A form of vitamin C that acts as an antioxidant, protecting the skin from environmental stressors.
- **Ceramide 3, Ceramide 6 II, Ceramide 1:** Ceramides help form the skin's barrier and help the skin retain moisture. They also help the skin protect against environmental aggressors.

CBD MOISTURIZER

Universal/Hydrating

This ultra-hydrating Moisturizer offers a variation of plant-based ingredients including Cannabis Sativa Oil. It spreads easily and absorbs into the skin fast, providing abundant nourishment. Rich in Peptides, AHA's, and Vitamins A, B, C, & E to soothe dry, sensitive skin leaving the face moisturized, fresh, youthful, and supple.

Key Active Ingredients:

- **Cannabis Sativa Seed Oil:** Also known as hemp seed oil, it nourishes the skin with essential fatty acids and has anti-inflammatory properties.
- **Saccharide Isomerate:** A plant-derived ingredient that hydrates the skin and strengthens the skin barrier.
- **Citrus Limon (Lemon) Peel Extract:** Lemon peel extract is known for its astringent and antiseptic properties. It can also brighten the skin.
- **Palmitoyl Tripeptide-5:** This peptide can stimulate collagen production in the skin, reducing the appearance of fine lines and wrinkles.
- **Camellia Sinensis Leaf Extract:** Also known as green tea extract, it has antioxidant and anti-inflammatory properties that protect the skin from environmental damage.
- **Panthenol (Vitamin B5):** Panthenol is a humectant that attracts water to the skin and holds it there, helping to improve the skin's hydration, elasticity, and smooth appearance.
- **Ascorbyl Palmitate (Vitamin C):** A form of vitamin C that has antioxidant properties to protect the skin from free radicals and can brighten the skin

WHIPPED ADVANCED MOISTURIZER

Anti-Aging/Hydrating

This luxurious moisturizer offers a variation of plant-based ingredients. Absorbs evenly into the skin fast, providing ample nourishment. The combination of peptides work together to aid in firming the skin, leaving supple and youthful appearance.

Key Active Ingredients:

- **Simmondsia Chinensis (Jojoba) Seed Oil:** Jojoba oil is rich in vitamins and minerals that nourish skin, including vitamin C, B vitamins, vitamin E, copper, and zinc.
- **Helianthus Annuus (Sunflower) Seed Oil:** Sunflower oil is high in vitamin E and helps retain moisture in the skin and protect the skin's barrier.
- **Prunus Armeniaca (Apricot) Kernel Oil:** Apricot kernel oil is rich in vitamins A and E and can help moisturize and nourish the skin.
- **Saccharomyces Ferment Lysate Filtrate:** A type of yeast extract that can have antioxidant effects and soothe the skin.
- **Oryza Sativa (Rice) Bran Oil:** Rice bran oil is known for its antioxidant, moisturizing, and soothing properties.
- **Green Tea Extract:** Green tea extract has antioxidant and anti-inflammatory properties that protect the skin from environmental damage.
- **Malus Domestica Fruit Cell Culture Extract:** An extract from a rare Swiss apple that is used for its anti-aging benefits.
- **Algae Extract:** Algae extract can condition, hydrate, soften, and detoxify the skin, replenishing essential vitamins and minerals.
- **Passiflora Edulis Seed (Passion Fruit) Oil:** Passion fruit oil is known for its moisturizing properties and is a good source of vitamin C.
- **Calendula Officinalis Flower Oil:** Calendula oil is known for its anti-inflammatory, antiseptic, and healing properties.

MOISTURIZERS

DNA MOISTURIZER

Anti-Aging/Hydrating

Introducing our DNA Moisturizer, a high-performance moisturizer designed to deeply hydrate and rejuvenate your skin. This advanced formula combines powerful natural ingredients and cutting-edge technology to deliver lasting moisture, improve skin texture, and enhance your natural glow.

Key Active Ingredients:

- **Glycine Soja (Soybean) Oil:** Soybean oil is rich in Vitamin E, a nutrient that can help promote skin health. It also provides a barrier that can help prevent moisture loss from the skin's surface.
- **Helianthus Annuus (Sunflower) Seed Oil:** Sunflower oil is high in vitamin E and helps retain moisture in the skin and protect the skin's barrier.
- **Simmondsia Chinensis (Jojoba) Seed Oil:** Jojoba oil is rich in vitamins and minerals that nourish skin, including vitamin C, B vitamins, vitamin E, copper, and zinc.
- **Butyrospermum Parkii (Shea) Butter:** Known for its moisturizing and soothing properties. It's also rich in antioxidants.
- **Theobroma Cacao (Cocoa) Seed Butter:** Cocoa butter is a plant-based fat taken from the cocoa bean that's rich in natural plant compounds called phytochemicals. It's often used as a moisturizer to prevent dryness and peeling, and for treating chapped skin.
- **Calendula Officinalis Flower Oil:** Calendula oil is known for its anti-inflammatory, antiseptic, and healing properties.
- **Passiflora Edulis (Passion Fruit) Seed Oil:** Passion fruit oil is known for its moisturizing properties and is a good source of vitamin C.
- **Ceramides:** Super important role in keeping the skin barrier healthy and the skin hydrated

GREEN TEA MOISTURIZER

Dry Skin/Hydrating

Green Tea Moisturizer is formulated to nourish and nurture the driest of skin. This moisturizer helps even out skin tone, while repairing and restoring healthy hydration. Firms and leaves skin looking younger.

Key Active Ingredients:

- **Saccharomyces Ferment Lysate Filtrate:** A probiotic ingredient that can help restore balance to the skin's microbiome, leading to healthier-looking skin.
- **Sodium PCA:** A natural component of the skin that helps attract water to maintain moisture levels.
- **Sodium Hyaluronate:** The salt form of hyaluronic acid, a water-binding ingredient that has the ability to fill the spaces between collagen and elastin.
- **Palmitoyl Tetrapeptide-7:** A synthetic peptide that reduces inflammation in the skin and promotes collagen production.
- **Squalene: A natural component of human skin sebum (oil),** it is a wonderfully moisturizing ingredient as well as a source of replenishing fatty acids and antioxidants.
- **Glycosaminoglycans:** Known for their ability to support the maintenance and elasticity of the skin.
- **Camellia Sinensis (Green Tea) Leaf Extract:** Known for its antioxidant and anti-inflammatory properties, can help protect the skin against environmental damage.
- **Palmitoyl Hexapeptide-19:** Botox mimicking peptide that helps to relax facial wrinkles
- **Resveratrol:** Neutralizes free radicals and boosts antioxidant levels in the skin to improve fine lines and wrinkles

CREAMS

Moisturizing Eye Cream

Anti-Aging/Hydrating

Lightweight daily moisturizing eye cream is perfect for rejuvenating the delicate eye area. Non oily formula keeps the skin hydrated and moisturized while leaving the skin feeling silky soft and smooth.

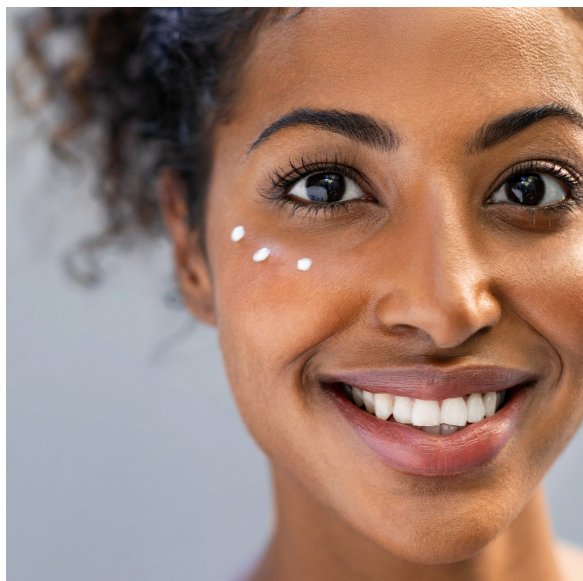

Key Active Ingredients:

- **Glycerin:** A humectant that pulls moisture from the air to keep the skin hydrated and soft. It can also promote skin healing.
- **Persea Gratissima (Avocado) Oil:** Avocado oil is rich in fatty acids and is excellent for moisturizing the skin. It also contains vitamins E and C, which protect the skin from damage.
- **Tocopheryl Acetate (Vitamin E):** A potent antioxidant that protects the skin from environmental stressors like pollution and UV rays. It also has moisturizing benefits.
- **Panthenol (Vitamin B5):** This ingredient has moisturizing and healing properties. It attracts water to the skin and holds it there, helping to improve the skin's softness and elasticity.
- **Citric Acid:** Used primarily to adjust the pH of the product. It can also act as an antioxidant and promote skin peeling and re-growth.

CREAMS

Eye Lifting Cream

Anti-Aging/Hydrating

Delicate area above, around and below the eye requires special attention to help prevent the appearance of fine lines, wrinkles, and crepiness. Highly effective cream addresses all those issues and makes the eye area come alive with a renewed youthful appearance.

Key Active Ingredients:

- **Copper Lysinate/Prolinate:** Re-energizes cells by stimulating collagen and elastin production to reduce the appearance of fine lines and wrinkles while firming the skin
- **Palmitoyl Tripeptide-38:** Boosts production of 6 major components of skin matrix (collagen I, III, IV, fibronectin, hyaluronic acid, and laminin 5) to decrease fine lines and wrinkles on crow's feet
- **Palmitoyl Tetrapeptide-7:** Smooths fine lines and wrinkles by increasing collagen production and improving skin cell health.
- **Palmitoyl Hexapeptide-14:** Stimulates collagen production and proliferation of fibroblast cells (secrete collagen proteins) and inhibits collagen-eating, skin-damaging MMPs
- **Tetrahexyldecyl Ascorbate:** Vitamin C derived that helps aid in penetration of the skin and brightens
- **Tocopherol:** Powerful antioxidant that neutralizes free radicals, moisturizes skin, and improves the appearance of visible skin aging.

CREAMS

Neck Firming Cream

Anti-Aging/Hydrating

Lifts skin and improves texture. Accelerates cell reproduction and promotes the restructuring of the fiber network. Stimulates collagen synthesis and reinforces the inter-cellular matrix, for better cohesion, suppleness, and skin tone, ensuring the skin's elasticity is maintained.

Key Active Ingredients:

- **Saccharomyces Cerevisiae Extract** – Supports rejuvenation by promoting skin cell renewal.
- **Hordeum Disitchon (Barley) Extract** – Known for its antioxidant and calming properties.
- **Acetyl Tetrapeptide-2** – A cutting-edge peptide for firming and restoring elasticity.
- **Sodium Hyaluronate** – Deeply hydrates and plumps the skin for a smoother finish.
- **Sandalwood, Orange, and Grapefruit Extracts** – Natural ingredients that provide soothing, revitalizing, and brightening effects.

Benefits:

- **Acetyl Tetrapeptide-2 and Hexapeptide-47**, this cream supports skin elasticity and visibly reduces signs of sagging.
- **Intense Hydration** Infused with Sodium Hyaluronate and Glycerin, it locks in moisture, smoothing fine lines and improving skin texture.
- **Boosts Radiance** A blend of natural extracts, including **Sandalwood, Orange Peel Oil, and Grapefruit Peel Oil**, brightens and revitalizes dull skin, leaving it glowing and refreshed.
- **Nourishes and Repairs** Rich in essential fatty acids, such as Glyceryl Linolate and Linoleic Acid, as well as plant-based extracts like Barley Extract and Pea Extract, this cream helps strengthen and restore your skin barrier for long-lasting results.

PRIVATE LABEL SKINCARE

EYE CREAM

RETINOL EYE CREAM

Anti-Aging/Exfoliation

Transform your eyes with our retinol eye cream, featuring peptides like Palmitoyl Tetrapeptide-7 to boost firmness and elasticity. Retinol smooths fine lines, while avocado oil and sodium hyaluronate deeply hydrate the delicate skin around your eyes. Reveal refreshed, youthful-looking eyes with every use.

Active Ingredient Breakdown

- **Retinyl Palmitate (Retinol):** A vitamin A derivative that promotes cell turnover, smooths fine lines, and enhances skin texture, leaving the delicate eye area refreshed and youthful.
- **Peptides (Palmitoyl Tetrapeptide-7, Palmitoyl Tripeptide-38, Palmitoyl Hexapeptide-14):** Boost collagen production and improve skin elasticity, helping to firm and revitalize the fragile skin around the eyes.
- **Sodium Hyaluronate:** A powerful hydrator that attracts and locks in moisture, keeping the skin plump, soft, and hydrated.
- **Copper Lysinate/Prolinate:** A copper peptide complex that supports skin repair and regeneration while improving firmness and reducing the appearance of fine lines.
- **Vitamin C (Tetrahexyldecyl Ascorbate) and Vitamin E (Tocopheryl Acetate, Tocopherol):** Potent antioxidants that protect skin from free radicals, brighten the complexion, and reduce signs of aging.
- **Avocado Oil (Persea Gratissima Oil) and Grape Seed Oil (Vitis Vinifera Oil):** Rich in fatty acids that deeply nourish and condition the skin.
- **Japanese Green Tea Extract (Camellia Oleifera) and Arnica Montana Flower Extract:** Natural botanicals with anti-inflammatory properties that soothe and calm the skin, reducing puffiness and irritation.
