VITAMIN C & HYALURONIC ACID SERUM

Skin Brightening/ Anti-Aging

Rich in antioxidants and fights free radical damage. Intensive treatment for skin with signs of aging. Helps to lighten and brighten skin. Improves skin tone, texture, and firmness. Works to protect against cell damage and accelerates cellular turnover.

Key Active Ingredients:

- **Hyaluronic Acid:** A powerful humectant that can attract and hold on to up to 1000 times its weight in water. It helps to hydrate the skin and keep it moist and supple.
- **Sodium Ascorbyl Phosphate:** A stable form of Vitamin C, it's an antioxidant that can help protect the skin from damage by free radicals. It can also brighten the skin and reduce signs of aging.
- **Citric Acid:** An alpha hydroxy acid (AHA) used in skincare products for its exfoliant properties. It can help slough off dead skin cells and speed up cell turnover.
- **Aloe Barbadensis Leaf Extract:** Known for its soothing and moisturizing properties, it can help calm irritation and hydrate the skin.
- **Witch Hazel Extract:** Known for its skin-soothing properties and can also help to minimize the appearance of pores.
- **Glycerin:** A humectant that draws moisture from the air into the skin's outer layer. It also forms a protective layer that helps prevent moisture loss.
- **L-Arginine:** An amino acid that has antioxidant properties and can help boost collagen production in the skin, improving skin elasticity and reducing signs of aging.

Suitable for:

- Combination Skin
 - Oily Skin
 - Normal Skin
- Skin Brightening
 - Anti-Aging

SERUMS

VITAMIN CE SERUM WITH FERULIC ACID

Anti-Aging/Skin Brightening

Reduces the appearance of fine lines and wrinkles. Brightens skin tone and provides powerful antioxidant properties to visibly reduce signs of aging.

Key Active Ingredients:

- **L-Ascorbic Acid:** It's a form of Vitamin C, a potent antioxidant that can help protect the skin from environmental damage, brighten the complexion, and reduce signs of aging.
- **Glycerin:** A humectant that draws moisture from the air into the skin's outer layer. It also forms a protective layer that helps prevent moisture loss.
- **Panthenol:** Also known as Pro-Vitamin B5, it has moisturizing and soothing properties. It can help to hydrate the skin and improve its elasticity.
- **Tocopherol:** Also known as Vitamin E, it's an antioxidant that helps protect the skin from environmental damage.
- **Ubiquinone:** Also known as Coenzyme Q10, it's an antioxidant that can help protect the skin from free radical damage and improve the appearance of aging skin.
- **Tetrahexyldecyl Ascorbate:** A stable form of Vitamin C that is fat-soluble and can penetrate the skin more effectively than other forms of Vitamin C.
- **Ferulic Acid:** A plant-based antioxidant that enhances the stability of other antioxidants like Vitamin C and E, amplifying their effects.
- **Sodium Hyaluronate:** The salt form of hyaluronic acid, known for its ability to hold up to 1000 times its weight in water. It provides deep hydration to the skin.

SERUMS

VITAMIN C BOOST SERUM

Anti-Aging/Redness Relief/Hydrating

Advanced vitamin C technology powers this Vitamin C Serum to resist oxidation and stay potent from first drop to last. A dual-formula blend of Ethyl Ascorbic Acid (water-soluble) and Tetrahexyldecyl Ascorbate (oil-soluble) delivers deep brightening and tone-evening benefits while supporting the skin barrier. Niacinamide and glycerin boost hydration, smooth texture, and reinforce resilience, as lightweight emollients and lecithin enhance absorption without heaviness.

Key Active Ingredients:

- **Ethyl Ascorbic Acid (Vitamin C, water-soluble):** Fast-acting brightener that helps fade dark spots, boost radiance, and support collagen. Works synergistically with oil-soluble vitamin C for broader delivery.
- **Tetrahexyldecyl Ascorbate (Vitamin C, oil-soluble):** Penetrates the lipid barrier to deliver antioxidant protection and even skin tone. More stable form that, along with your advanced vitamin C technology, helps prevent oxidation and maintain potency.
- **Niacinamide (Vitamin B3):** Refines pores, evens discoloration, strengthens the skin barrier, and reduces redness—complements vitamin C for brighter, smoother-looking skin.
- **Glycerin + Propanediol:** Humectants that attract and hold moisture for plumper, more comfortable skin and improved active delivery.
- **Lecithin:** A skin-identical lipid that supports the moisture barrier and enhances penetration of oil-soluble actives.
- **Ethoxydiglycol:** Solvent that improves texture and helps distribute vitamin C evenly, contributing to stability and performance.

SERUMS

GLOW GREENS SERUM

Anti-Aging/Skin Brightening

Your new go-to for brighter, healthier skin. Packed with superfood botanicals and cutting-edge ingredients, this lightweight, fast-absorbing serum offers intense hydration, calms irritation, and helps restore your skin's natural radiance. Whether you're dealing with dull skin, redness, or uneven texture, GlowGreens delivers targeted results for a luminous, refreshed look.

Key Active Ingredients:

- **Vitamin C (Ascorbic Acid, Tetrahexyldecyl Ascorbate):** Fights dullness, brightens skin, and boosts collagen production for firmer, more even-toned skin.
- **Sodium Hyaluronate:** A smaller molecule of hyaluronic acid that penetrates deep into the skin to provide intense hydration and plumpness.
- **Centella Asiatica Leaf Extract:** Speeds up healing, soothes irritation, and improves skin barrier resilience.
- **Hemp Seed Oil:** Rich in omega fatty acids, this oil nourishes and hydrates, reducing inflammation and redness.
- **Cucumber, Beet, and Elderberry Extracts:** Packed with antioxidants, these natural superfoods protect against free radicals and boost skin vitality.
- **Licorice Root Extract:** Gently brightens and reduces the appearance of dark spots or pigmentation over time.
- **Melatonin and Mushroom Extracts:** Support skin repair overnight, boost hydration, and neutralize oxidative stress for a refreshed morning glow.

SERUMS

LIQUID FACE LIFT SERUM

Anti-Aging/Hydrating

Formulated to amplify nourishment for even the driest of skin. This serum helps even skin tone while firming, protecting, and restoring healthy hydration for more youthful glow.

Key Active Ingredients:

- **Sodium PCA:** A natural humectant that's part of the skin's own moisturizing factor. It helps the skin retain its moisture and improves its overall appearance.
- **Sodium Hyaluronate:** The salt form of hyaluronic acid, known for its ability to hold up to 1000 times its weight in water. It provides deep hydration to the skin.
- **Palmitoyl Tetrapeptide-7:** A peptide that can reduce inflammation in the skin and stimulate collagen production, improving the skin's firmness and elasticity.
- **Camellia Sinensis (Green Tea) Leaf Extract:** Known for its antioxidant and anti-inflammatory properties, which can help protect the skin from environmental damage.
- **Malus Domestica Fruit Cell Culture Extract:** Derived from a rare Swiss apple, this extract can protect and prolong the life of skin cells, leading to more youthful-looking skin.
- **Algae Extract, Chlorella Vulgaris Extract:** These extracts are rich in vitamins and minerals and can have moisturizing, antioxidant, and skin-softening properties.
- **Persea Gratissima (Avocado) Oil:** A rich, nourishing oil that can deeply moisturize the skin and help maintain its barrier function.
- **Tocopherol:** Also known as Vitamin E, it's an antioxidant that helps protect the skin from environmental damage.
- **Resveratrol:** A powerful antioxidant that can protect the skin from environmental damage and improve signs of aging.
- **Bisabolol:** An ingredient derived from chamomile, known for its soothing and skin-conditioning properties.

CBD BEAUTY OIL

Anti-Aging/Hydrating

Our CBD Facial Oil is a lightweight daily beauty oil that actively reduces the signs of aging. By regularly applying this lightweight facial oil to fine lines and wrinkles around the face, skin imperfections will begin to fade as the skin is soothed and calmed. Apply as a spot or an all-over facial treatment to see results.

Key Active Ingredients:

- **Cannabis Sativa Seed (CBD) Oil:** Known for its anti-inflammatory and antioxidant properties. It may help to calm skin and reduce redness.
- **Simmondsia Chinensis (Jojoba) Seed Oil:** Closely matches the natural sebum of the skin and can help balance oil production. It also has moisturizing properties.
- **Linum Usitatissimum Seed Oil:** Also known as flaxseed oil, it's rich in omega-3 fatty acids that can nourish and soothe the skin.
- **Hippophae Rhamnoides (Seabuckthorn) Oil:** Known for its healing and rejuvenating effects on the skin, it's rich in vitamins and antioxidants.
- **Tetrahexyldecyl Ascorbate:** A stable form of Vitamin C that is fat-soluble and can penetrate the skin more effectively than other forms of Vitamin C.
- **Tocopherol:** Also known as Vitamin E, it's an antioxidant that helps protect the skin from environmental damage.
- **Retinyl Palmitate:** A gentle, less irritating form of Vitamin A that can improve the appearance of aging skin.

SERUMS

RETINOL & HYALURONIC ACID SERUM

Anti-Aging/Hydrating

Our Retinol & Hyaluronic Acid Serum contains glycolipids to increase absorption of ingredients into the skin without irritation. Glycolipids protect the time-released retinol molecule from oxidation, ensuring its complete stabilization. A very efficacious formula with hyaluronic acid, retinol, plant botanicals and soluble collagen. Glides on beautifully for a hydrated, smooth, and soft appearance to the skin.

Key Active Ingredients:

- **Acetyl Hexapeptide-8:** Also known as Argireline, it is a peptide that can help to reduce the appearance of wrinkles and fine lines.
- **Glycerin:** A humectant that attracts moisture from the air into the skin's outer layer. It also forms a protective layer that helps prevent moisture loss.
- **Retinol A Palmitate:** A form of Vitamin A that can help to promote skin renewal and enhance collagen production, reducing the appearance of fine lines and wrinkles.
- **Hyaluronic Acid:** Known for its ability to hold up to 1000 times its weight in water, it provides deep hydration to the skin.
- **Copper Peptide-1:** A skin-restoring ingredient that can improve skin health, elasticity, firmness, and reduce wrinkles.
- **Zinc Oxide:** A mineral ingredient that offers broad-spectrum sun protection and has anti-inflammatory properties.
- **Urea:** A potent hydrator that can replenish and maintain skin's moisture.
- **Soluble Collagen:** Helps to maintain skin's elasticity and moisture, and may also have anti-aging benefits.
