## CBD BEAUTY OIL

Anti-Aging/Hydrating

Our CBD Facial Oil is a lightweight daily beauty oil that actively reduces the signs of aging. By regularly applying this lightweight facial oil to fine lines and wrinkles around the face, skin imperfections will begin to fade as the skin is soothed and calmed. Apply as a spot or an all-over facial treatment to see results.

Key Active Ingredients:

- Cannabis Sativa Seed (CBD) Oil: Derived from Hemp. Provides essential moisture and nourishment to strengthen skin barrier. Contains about 80 cannabinoids which are compounds concentrated in the plant's leaves. Reduces redness, calms stressed skin. Ultra-hydrating and formulated for oily, sensitive and blemish prone skin.
- Squalene: Anti-aging and anti-inflammatory. Balances oil production, providing just enough moisture to keep the skin clear and healthy.
- Tetrahexyldecyl Ascorbate: Vitamin C derived that helps aid in penetration of the skin
- Tocopherol: Vitamin E can help to prevent damage to skin caused by free radicals from UV exposure
