SUNCARE

ZINC LOTION 40+

Weightless by design, this advanced formula wraps skin in a veil of antioxidant-rich protection — blending green tea, vitamin C, and rare botanical extracts to neutralize daily environmental aggressors and support a visibly brighter, more resilient complexion.

Peptides, potent antioxidants, and algae extracts work in harmony to reinforce your skin's natural barrier, locking in moisture without weight or residue. The result is a breathable, featherlight finish that feels effortless from morning to night.

Key Active Ingredients:

- **Zinc Oxide 20.0%:** Mineral UV filter providing broad-spectrum protection, especially UVA. Gentle, photostable, and ideal for sensitive or post-procedure skin..
- **Pongamia Glabra Seed Oil & Dunaliella Salina/Haematococcus Pluvialis Extract:** Natural extracts rich in antioxidants that protect the skin from environmental damage. These ingredients also provide soothing and anti-inflammatory benefits.
- **Camellia Sinensis (Green Tea) Leaf Extract:** A potent antioxidant that helps neutralize free radicals and reduce redness or irritation.
- **Tetrahexyldecyl Ascorbate:** A stable, oil-soluble form of Vitamin C that brightens the skin and boosts collagen production. Works synergistically with sunscreen to enhance photoprotection.
- **Myrisoyl Pentapeptide-17:** A peptide that promotes skin repair and strengthens the skin barrier.
