CLEANSERS

HYPOCHLOROUS ACID

Blemish Control/Anti-Bacterial

At the heart of our HOCL Cleanser is hypochlorous acid, a substance naturally produced by white blood cells to fight infections and aid in the healing process. By harnessing the power of this natural healer, our cleanser works to encourage skin recovery without harsh chemicals or irritants. Whether you're dealing with the discomfort of sunburns, battling eczema, or simply want to treat minor cuts and scrapes, this versatile cleanser brings relief and healing to troubled skin.

Key Active Ingredients:

- **Electrolyzed Water:** A purified water that enhances product stability and supports skin hydration.
- **Sodium Chloride:** Commonly known as salt, it aids in cleansing and detoxifying the skin.
- **Hypochlorous Acid:** The star ingredient, known for its antimicrobial properties and ability to promote healing.

Benefits:

- **Cleanses Bacteria:** Effectively removes harmful bacteria from the skin's surface, preventing infection and promoting a clear complexion.
- **Reduces Redness:** Calms irritated skin, reducing redness and inflammation for a more even skin tone.
- **Minimizes Imperfections:** Helps to reduce the appearance of skin imperfections, leaving you with a smoother, more radiant complexion.
- **Naturally Calms Skin:** Provides gentle, natural care for all skin types, even sensitive skin, without causing dryness or irritation.

BAMBOO CLEANSER

Universal/Anti-Aging

Our Bamboo Cleanser is your ultimate solution for refreshing, cleansing, and nourishing your skin. Formulated with natural and active ingredients, it effectively removes impurities while maintaining your skin's moisture balance. Gentle yet effective, it's the perfect addition to your skincare routine.

Key Active Ingredients:

- **Bambusa Vulgaris (Bamboo) Extract:** Rich in silica, bamboo extract promotes skin elasticity and leaves your skin feeling smooth and firm.
- **Chamomile Extract:** Known for its calming properties, chamomile soothes irritation and redness, making it ideal for sensitive skin.
- **Silk Amino Acids:** These proteins help replenish your skin's moisture levels, leaving it soft and hydrated.
- **Sodium Ascorbyl Phosphate (Vitamin C):** This stable form of vitamin C brightens the skin, reduces dark spots, and promotes a radiant complexion.
- **Vitamin E (Vitamin E Acetate):** An antioxidant powerhouse that protects the skin from environmental damage and supports its natural repair process.
- **Niacinamide (Vitamin B3):** Minimizes the appearance of pores, improves skin tone, and reduces fine lines and dullness.
- **Hamamelis Virginiana (Witch Hazel) Hydrosol Water:** natural astringent that tightens pores, reduces inflammation, and provides a refreshing feel.
- **Camellia Sinensis (Green Tea) Hydrosol Water**
Offers antioxidant protection while calming and rejuvenating the skin.

Suitable for:

- Normal Skin
- Combination Skin
 - Oily Skin
 - Dry Skin
- Sensitive (thanks to soothing agents like chamomile and witch hazel)

CREAMY BENZOYL PEROXIDE CLEANSER

Blemish & Oil Control

This highly effective Creamy Benzoyl Peroxide Cleanser helps clear the skin of existing debris that cause irritation. It controls excess oil, soothes skin, and visibly calms redness, while hydrating properties help minimize dryness and peeling.

Key Active Ingredients:

- **Benzoyl Peroxide 2.5%:** It's a powerful acne treatment that kills bacteria directly under the skin, helping to minimize the appearance of acne.
- **Cocos Nucifera (Coconut) Oil:** This oil has antibacterial properties and is rich in fatty acids which can nourish and moisturize the skin.
- **Cocamidopropyl Betaine:** It's a surfactant that helps water to mix with oil and dirt so they can be rinsed off, providing a deep cleanse.
- **Tocopherol:** Also known as Vitamin E, it's an antioxidant that protects the skin from damage and has moisturizing properties.

CREAMY CLEANSING BALM

Universal/Anti-Aging/Hydrating

Our luxurious Creamy Cleansing Balm is formulated with rich antioxidants and natural fruit extracts to help restore the skin's natural moisture, leaving the skin feeling hydrated. This cleanser exfoliates dirt and impurities, while hydrating the skin. Ideal for sensitive and mature skin types.

Key Active Ingredients:

- **Aloe Barbadensis Leaf Juice:** Known for its soothing properties, it helps to calm irritated skin and provides hydration.
- **Glycerin:** A humectant that attracts moisture to the skin's surface, promoting hydration and a healthy skin barrier.
- **Lavandula Angustifolia (Lavender) Extract:** Has calming properties and can also help reduce redness and irritation.
- **Arctium Lappa (Burdock) Root Extract:** Known for its anti-inflammatory and antioxidant properties, it can help soothe irritated skin and improve skin complexion.
- **Citrus Medica Limonum (Lemon) Peel Extract:** Rich in Vitamin C and citric acid, it can brighten skin and help clear up breakouts.
- **Rosa Canina (Rose) Hip Extract:** High in Vitamin C and essential fatty acids, it can help promote skin regeneration and elasticity.
- **Pyrus Malus (Apple) Fruit Extract:** Contains natural fruit acids that gently exfoliate the skin, promoting a smoother complexion.
- **Citric Acid:** Used to balance the pH of the product, it can also promote skin peeling and re-growth.

CLEANSERS

Papain Fruit Enzyme Cleanser

Normal-Oily/Anti-Aging/Skin Brightening

Gentle yet effective! Rich in natural plant enzymes and antioxidants designed to brighten the skin by exfoliating dead skin cells. Removes impurities, oil, bacteria, makeup. Leaves skin supple, never tight or dried out. Ideal for normal to oily and blemish prone skin as it helps treat & prevent breakouts. Effectively protect skin's delicate pH balance.

Key Active Ingredients:

- **Inulin:** A prebiotic that can help to balance the skin's microbiome, potentially improving skin health.
- **Papain:** An enzyme derived from papaya that can exfoliate the skin, removing dead skin cells and revealing brighter, fresher skin underneath.
- **Acetyl Hexapeptide-51 Amide, Acetyl Tetrapeptide-2:** Peptides that can help to stimulate the production of collagen, improving skin elasticity and reducing the appearance of fine lines and wrinkles.
- **Salicylic Acid:** A beta hydroxy acid (BHA) that can penetrate into the pores to exfoliate them from the inside, helping to reduce breakouts and improve skin texture.
- **Salix Nigra (Willow) Bark Extract:** Contains natural salicylic acid that can help to exfoliate the skin and reduce inflammation.
- **Vitis Vinifera (Grape) Fruit Extract, Ananas Sativus (Pineapple) Fruit Extract, Citrus Limon (Lemon) Fruit Extract, Passiflora Edulis Fruit Extract:** These fruit extracts can provide antioxidant benefits, protecting the skin from environmental damage. They may also have skin-brightening properties.
- **Panthenol:** Also known as pro-vitamin B5, it can help to moisturize the skin and improve its barrier function.

Glycolic Probiotic Cleanser

Normal-Oily/Anti-Aging/Skin Brightening

Glycolic Acid cleans and exfoliates the skin without stripping the skin of essential moisture. Formulated with a concentrated amount of glycol acid and advanced bio-friendly ingredients that help brighten the complexion.

Key Active Ingredients:

- **Glycolic Acid:** Anti-Aging, helps turn over the skin, and stimulates collagen and elastin
- **Salicylic Acid:** Purifies & exfoliates to improve overall skin health and appearance
- **Arctium Lappa (Burdock) Root Extract:** Known for its anti-inflammatory and antioxidant properties, it can help soothe the skin and protect it from damage.
- **Organic Citrus Medica Limonum (Lemon Peel Extract):** Can provide skin-brightening benefits due to its high vitamin C content.
- **Aloe Barbadensis Leaf Juice:** Known for its soothing and hydrating properties, it can help to calm irritation and provide moisture to the skin.
- **Rosa Canina (Rose) Hip Extract:** Rich in vitamins A and C, it can help brighten the skin and promote a more even skin tone.
- **Oligopeptide-8, Myristoyl Tetrapeptide-13:** Peptides that can help to stimulate the production of collagen, improving skin elasticity and reducing the appearance of fine lines and wrinkles.

CLEANSERS

Jasmine Probiotic Cleanser

Universal/Anti-Aging/Sensitive

Gently rids skin of dead skin cells, dirt and bacteria while maintaining the skin's natural moisture barrier and its ideal pH level. This cleanser is formulated with floral plant extracts and is rich antioxidants and vitamins (B5, C, E) to help improve skin health and restore moisture, leaving skin feeling clean and hydrated.

Key Active Ingredients:

- **Panthenol:** Also known as Pro-Vitamin B5, it has moisturizing and soothing properties, helping to improve skin's barrier function.
- **Niacinamide:** Also known as Vitamin B3, it can improve skin elasticity, enhance its barrier function, help erase discolorations, and revive skin's healthy tone and texture.
- **Urea:** Known for its hydrating properties, it can also help other ingredients penetrate the skin more effectively.
- **Lactococcus Ferment Lysate:** A probiotic ingredient that can help balance the skin's microbiome and strengthen its barrier function.
- **Jasminum Officinale Extract, Camellia Sinensis (Green Tea) Leaf Extract, Ginkgo Biloba Leaf Extract:** Plant extracts known for their antioxidant properties, protecting the skin from environmental damage that can accelerate aging.
- **Leontopodium Alpinum Callus Culture Extract:** An extract derived from the stem cells of the Alpine Rose plant, it has antioxidant and anti-aging benefits.
- **Adansonia Digitata (Baobab) Seed Oil:** Rich in antioxidants and essential fatty acids, it can nourish and hydrate the skin, improving its elasticity and strength.
- **Tocopheryl Acetate, Sodium Ascorbyl Phosphate, Tetrahexyldecyl Ascorbate:** Different forms of Vitamins E and C, they are powerful antioxidants that can protect the skin from environmental damage, brighten the skin, and help reduce signs of aging.

CLEANSERS

Salicylic Cleanser

Blemish Control/Oil Control

2% Salicylic Acid & Lactic Acid to eliminate pore clogging oil on the skin. Leaves the skin exfoliated and refreshed without stripping the skin of moisture.

Key Active Ingredients:

- **Salicylic Acid:** A beta-hydroxy acid (BHA) that penetrates into the pores to exfoliate them from the inside, helping to reduce breakouts and improve skin texture.
- **Cocamidopropyl Betaine, Disodium Laureth Sulfosuccinate, Coco-Betaine:** These are surfactants that cleanse the skin by helping water to mix with oil and dirt so they can be rinsed away
- **Lauric Acid:** A fatty acid that has antimicrobial properties, which can help to kill acne-causing bacteria on the skin.
- **Lactobacillus/Saccharomyces/Rice/Sucrose Ferment Filtrate:** Fermented ingredients that can have soothing and antioxidant effects on the skin.
- **Lactic Acid:** An alpha-hydroxy acid (AHA) that gently exfoliates the skin, helping to brighten the complexion and improve skin texture.
- **Panthenol, and Allantoin:** They have moisturizing and soothing properties, helping to improve skin's barrier function.
- **Retinyl Palmitate:** A form of Vitamin A, it can help to speed up cell turnover, reducing the appearance of blemishes and improving skin texture.

CLEANSERS

Gentle Cleansing Oil

Hydrating/Anti-Aging/Makeup Remover

The Intensive Cleansing Oil's advanced formula reaches deep down into the pores to remove all excess oil, makeup, dirt, and other pore-clogging impurities. Infused with essential oils and breakthrough ingredients to nourish and hydrate the skin. The calming, lightweight advanced formulation enables it to be used on wet or dry skin. Rinses off quickly, leaving the skin completely clean with a non-greasy dewy finish.

Key Active Ingredients:

- **Glycerin:** This is a humectant that attracts moisture to the skin, helping it stay hydrated and soft.
- **Ammonium Lauryl Sulfate & Ammonium Laureth Sulfate:** These are surfactants that help to cleanse the skin by helping water to mix with oil and dirt so they can be rinsed away.
- **Argania Spinosa Kernel Oil:** Also known as Argan oil, it is rich in essential fatty acids and antioxidants, providing hydration and nourishment to the skin.
- **Citrus Aurantium Dulcis (Orange) Peel Oil:** This citrus oil can provide a natural fragrance and may also have some skin-brightening properties due to its high vitamin C content.
