

BLEMISH CONTROL

## BENZOYL PEROXIDE CREAM WITH RETINOL

### Blemish Control

This Benzoyl Peroxide Cream with Retinol is perfect for reducing redness and inflammation of acne prone skin. The Benzoyl Peroxide helps to calm inflammation while the retinol moisturizes leaving the skin feeling silky smooth.

#### Key Active Ingredients:

- Benzoyl Peroxide 2.5%: Removes excess oil and dead skin cells. benzoyl peroxide helps kill acne-causing bacteria beneath the skin.
- Retinyl Palmitate: Combination of retinol (pure vitamin A) and the fatty acid palmitic acid. Induces cellular turnover.
- Fractionated Cocos Nucifera (Coconut) Oil: Anti-bacterial, anti-fungal, antioxidant and antimicrobial properties that help soothe inflammation, fight acne infections and alleviate red, dry skin. Helps in removing the surface layer of dead skin cells, making the skin smoother.

## BPO ZAP STICK

### Blemish Control

This advanced polish delicately buffs and lifts dull skin away. The concentrated sugar scrub deeply exfoliates, smooths and hydrate your skin to youthful bliss..

#### Key Active Ingredients:

- Benzoyl Peroxide 2.5%: Removes excess oil and dead skin cells, benzoyl peroxide helps kill acne-causing bacteria beneath the skin
- Salicylic Acid: Cleans excess oil from pores, exfoliates dead skin cells, weakens acne bacteria, prevents future acne, and soothes inflammation
- Resveratrol: Helps protect skin's surface, interrupts and helps rebuff negative environmental influences, and brightens a tired-looking complexion. minimizes the look of redness.
- Oligopeptide-10: Kills p. acnes, reduces appearance of blemishes and red blotchy spots.
- Arnica: Addresses redness, bruising, and inflammation. Arnica works wonders with acne, even in very difficult, cystic (hormonal) cases.
- Cucumis Sativus (Cucumber) Fruit Extract: High in minerals, potassium, and sulfur which help soften and hydrate the skin. has Anti-acne benefits and decreases skin sebum content, while decreasing trans epidermal water loss (TEWL).
